

# Grovax

Jodoco NV  
produces  
innovative  
blends  
for feed and livestock

<b>Product description</b>	<b>Grovax</b> is a liquid blend of natural products aiming to improve the gut health of monogastrics by promoting a stable and healthy microbiota and boosting the gut wall integrity. The various ingredients ensure an integrated approach with a multifaceted mode of action in the gut. A whole range of physiological and microbiological processes in the gut will be triggered and reinforced. Due to this synergy an optimal intestinal health is guaranteed. The active components comprise organic acids, slow-release butyrate, Medium-chain fatty acids (MCFA) combined with targeted essential oils.
<b>Composition</b>	<ul style="list-style-type: none"> <li>• Organic acids (propionic- and formic acid)</li> <li>• Butyrate-monoglycerides</li> <li>• Medium-chain fatty acids, MCFA (C8, C10 and C12)</li> <li>• Essential oils (oregano and garlic)</li> </ul>
<b>Application</b>	Can be supplemented to the drinking water or feeds for piglets, grower-finisher pigs and poultry.
<b>Benefits</b>	<ul style="list-style-type: none"> <li>• Prevents microbial overgrowth and reduces the risk of dysbacteriosis</li> <li>• Inhibits growth of E. coli and Clostridium in the small intestine</li> <li>• Reduces infection pressure and mortality</li> <li>• Improves the gut integrity by strengthening of the tight junctions</li> <li>• Improves performance in terms of daily gain and feed efficiency</li> <li>• Reduces the need for antibiotic medication</li> <li>• Fits well in a 'no-antibiotic ever' (NAE) strategy</li> </ul>

# Grovax

<b>Dosage</b>	300 - 600 ml per 1000 liter of drinking water
<b>Physical form</b>	Liquid
<b>Packaging</b>	<ul style="list-style-type: none"><li>• 1 l bottle</li><li>• 25 kg can</li><li>• 200 kg drum</li><li>• 1000 kg PE container (IBC)</li><li>• Bulk (&gt; 10 ton)</li><li>• Other packaging on request</li></ul>
<b>Storage</b>	Above 15 degrees Celsius, cool, dry and protect from direct sunlight.
<b>Shelf life</b>	Up to 24 months after production date in original unopened containers and stored under above specified storage conditions.
